Research Grant Announcement

The American Academy of Orofacial Pain (AAOP) is committed to supporting the research efforts of students in the field of orofacial pain at every level. This is an announcement of funding to support orofacial pain research of up to \$7,500.00 per selected and approved proposal.

American Academy of Orofacial Pain (AAOP) Research and Grants Committee Fund (RGF) was created to support research efforts in orofacial pain. The AAOP's RGF supports (listed in order of funding priority) research proposals of residents and fellows in orofacial pain training programs, dental students, AAOP members, and then proposals from other researchers which pertain to the field of orofacial pain.

Information about the grant proposal application can be found on the [AAOP website](#).

To apply a letter of intent and the research proposal should be sent to:

Dr. Jeffry Shaefer
4 Monument Circle
Hingham, Ma 02043

If you have questions about the funding process, Dr Shaefer can be contacted at jshaefer@partners.org or by calling 781-749-0157 or contact Dr Haissam Dahan, the co-chair of the grants committee, at haissam.dahan@mail.mcgill.ca

Jeff Shaefer DDS, MS, MPH
Chairman AAOP Research and Grants Committee
