

**AMERICAN ACADEMY
OF OROFACIAL PAIN**

REGISTRATION BROCHURE

43RD
Scientific Meeting

MAY 2-5, 2019

SHERATON SAN DIEGO HOTEL & MARINA
San Diego, California

Message from the 2019 Program Committee

The scientific committee of the American Academy of orofacial pain is honored to invite you to its 43rd scientific session: Optimizing Assessment and Management of Orofacial Pain. This conference at the beautiful Sheraton San Diego Hotel & Marina, May 2-5, 2019, in San Diego California will focus on recognizing clinical challenges faced by clinicians in assessment, diagnosis and management of all aspects of orofacial pain disorders.

Rapid and significant advances of knowledge and our understanding of etiologies and pain mechanisms and management will be discussed. The content of this meeting will help fulfill our obligation to remain current on the state-of-the-art for the benefit of our patients as clinicians, educators and researchers in the field of orofacial pain and sleep disorders. There surely will be topics of interest for all in attendance.

Presenters from dentistry and medicine will provide information on the new classification system for diagnosis and management of temporomandibular disorders and orofacial pain. Headaches, neuropathic pain, forms of orofacial pain and sleep disorders will be addressed in the new system. This information can significantly impact the relationship between TMD and headaches, and aid in the novel biological approaches for their management.

As in the past, there will be four great preconference sessions. These include

- Physical Therapy review course in the Assessment/Prediction/Management of The Patient with Head/Neck Disorders Post Whiplash, coordinated by our AAOP PT members and featuring as the primary speaker James Elliott, PT, PhD from Australia.
- Our famous course in Head and Neck Dissection is back, presented by Dr. Henry Gremillion, Dr. Ron Auvenshine and Dr. Terry Tanaka.
- The Orofacial Pain Review Course by Dr. Gary Heir and his peers also returns. It is a wonderful opportunity to apply didactic information and sharpen clinical skills.
- Lastly, the Sleep Medicine Course from our AAOP Sleep Medicine committee led by Dr. Elmer Villalon, Dr. Dennis Bailey, and Dr. Davis Thomas, during which they will share new information about sleep medicine, sleep disorders in a pediatric and adolescents, and sleep comorbidities.

The breakfast and lunchtime sessions include treatment topics to expand one's practice: Treatment of TMD, Compound medications, Bruxism, Sleep and Pain, Myofunction Therapy, Cervicogenic Headaches, Opioids Crisis, and the Role of Cannabinoids in Pain Management.

We look forward to meeting you in San Diego at the Sheraton San Diego Hotel and Marina from May 2 - 5, 2019.

Aurelio Alonso, DDS, MS, PhD
Co-Chair, 2019 Scientific Annual Meeting

Gary Heir, DMD
Co-Chair, 2019 Annual Scientific Meeting

AAOP – 2018/2019 OFFICERS

JENNIFER P. BASSIUR, DDS
President

JAY L. MACKMAN, DDS
President-Elect

JEFFRY SHAEFER, DDS
Treasurer

PAUL DURHAM, PHD
Secretary

ROBERT MIER, DDS
Secretary-Elect

GHABI KASPO, DDS
Council Chair

GARY KLASSER, DMD
Council Vice-Chair

Council Members:

EVELINE ERNI, DPT

GEORGE MALONEY, DDS

AURELIO ALONSO, DDS, PHD

JEFFREY GOLDBERG, DDS

MARIONA MULET DDS, MS

MICHELE A SCHULTZ-ROBINS, DMD

KENNETH CLEVELAND
Executive Director

AAOP MISSION STATEMENT

The American Academy of Orofacial Pain, an organization of dentists and other health care professionals, is dedicated to alleviating pain and suffering through the promotion of excellence in education, research, and patient care in the field of Orofacial Pain, TMD, Sleep Medicine and associated disorders.

Who Should Attend?

All interested dentists, physicians, physical therapists, researchers, mental health care professionals and other practitioners who diagnosis and treat orofacial pain disorders.

Accreditation Statement

The American Academy of Orofacial Pain is a Nationally Approved PACE Program Provider for FAGD/MAGD

credit. Approval does not imply acceptance by any regulatory authority or AGD endorsement. Current Term 1/1/2015 - 12/31/2021. Provider AGD ID # 218197

Total credit educational hours being offered at this conference are 27 (including core conference, preconference workshops, breakfast forums & lunch sessions). The core conference offers 16.5 CE hours. Each preconference offers an additional 6 CE hours, each breakfast forum provides 1 CE hour and each Lunch and Learn provides 1.25 CE hours. Each attendee should claim only those hours of credit that he/she actually spent in the education. Workshops, breakfast & lunch sessions all require additional registration.

Conference Clinical and Academic Learning Objectives

During the AAOP 2019 Scientific Meeting Attendees will:

1. Learn and understand about the new classification of orofacial pain
2. Learn about and understand the relationship between TMD and headaches
3. Understand the diagnosis and management of trigeminal neuropathies.
4. Learn about novel approaches in the management of primary headache disorders
5. Learn about cellular approaches in the management of TMJ osteoarthritis
6. Explore the role of the dentist in sleep medicine and new insights in sleep apnea pathogenesis
7. Learn about the current levels of recognition of Orofacial Pain as a new Dental Specialty
8. Develop an understanding of access to care issues in orofacial pain practices

FACULTY

Sowmya Anathan, BDS, DMD, MSD

PRELIMINARY PROGRAM OVERVIEW

Optimizing Assessment and Management of Orofacial Pain

THURSDAY, MAY 2, 2019

Pre-Conference Workshops – (Additional Registration Required)

9:00 am – 4:00 pm

I. Sleep & Pain *Nautilus 1 Room*
– Elmer Villalon, DMD, Dennis Bailey, DDS, FAGD,
Davis Thomas, BDS, DDS, MSD, MScMed

II. Assessment/Prediction/Management of The Patient with Head/Neck Disorders Post Whiplash *Nautilus 2 Room*
– James Elliott, PT, PhD, FAPTA

III. Orofacial Pain Review *Nautilus 3 Room*
– Gary Heir, DMD, Sowmya Anathan, BDS, DMD, MSD,
Davis Thomas, BDS, DDS, MSD, MScMed

IV. Head and Neck Dissection *Nautilus 4-5 Room*
– Henry Gremillion, DDS, MAGD, Ronald Auvenshine, DDS, PhD,
Terry Tanaka, DDS

AAOP Committee Meetings

AAOP Council Meeting

FRIDAY, MAY 3, 2019

7:00 am – 8:00 am

BREAKFAST SESSIONS: (Additional Registration Required)

BREAKFAST SESSION 1 *Nautilus 1-2 Room*
Ear-based Treatment of TMD - Introduction, Current
Findings and Ongoing Studies – Alan Glaros, PhD

BREAKFAST SESSION 2 *Nautilus 3-4 Room*
Compound Medications - When, Where, and Why
– Gary Heir, DMD

7:30 am – 8:00 am *Grand Ballroom A*
Continental Breakfast with Exhibitors

8:00 am – 5:00 pm *Nautilus 5 Room*
Dental Assistants & Auxiliary Course
– Catalina S. Morarasu, DDS, PhD, MS – Program Coordinator

8:00 am – 8:15 am *Grand Ballroom B/C*
Welcome Remarks

8:15 am – 8:30 am *Grand Ballroom B/C*
Presentation of New Fellows & Introduction of New Members

PLENARY SESSIONS:

8:30 am – 9:15 am *Grand Ballroom B/C*
PLENARY 1
Treatment Outcomes: The Need for An OFP Classification
– Rafael Benoliel, BDS, LDS, RCS

9:15 am – 10:00 am *Grand Ballroom B/C*
PLENARY 2
Trigeminal Neuralgia – Steven Scrivani, DDS, DMedSc

10:00 am – 10:30 am *Grand Ballroom A*
Break with Exhibitors & Posters

10:30 am – 11:15 am *Grand Ballroom B/C*
PLENARY 3
Migraine: New Understanding and Therapeutic Advances
– Peter Goadsby, MD

11:15 am – 12:00 pm *Grand Ballroom B/C*
PLENARY 4
TACs: Cluster Headache and Related Conditions:
Treatment Options – Peter Goadsby, MD

12:00 pm – 12:15 pm *Grand Ballroom B/C*
Panel Discussion

12:15 pm – 1:30 pm
Lunch on Your Own
or
Lunch & Learns (Additional Registration Required)

LUNCH & LEARN 1 *Nautilus 1-2 Room*
Update on Pathophysiology and Management of
Sleep Bruxism – Davis Thomas, BDS, DDS, MSD, MScMed

LUNCH & LEARN 2 *Nautilus 3-4 Room*
Myofunctional Therapy, Indicators and Relevance to
Orofacial Pain – Jennifer Hobson, PT, DPT, MTC, CFC, CMPTPT

Residents & Recent Grads Luncheon

TBD

1:30 pm – 2:15 pm *Grand Ballroom B/C*
PLENARY 5

Painful TMD: Management Outcomes From The Network
Clinical Study – Eric Schiffmann, DDS, MS

2:15 pm – 3:00 pm *Grand Ballroom B/C*
PLENARY 6

Oral Parafunctions Matter a Lot in TMD Pain: Implications
for Treatment – Alan Glaros, PhD

3:00 pm – 3:25 pm *Grand Ballroom A*
Break with Exhibitors & Posters

3:25 pm – 4:10 pm *Grand Ballroom B/C*
PLENARY 7

Whiplash: It's More Than Just a Pain in The Neck
– James Elliott, PT, PhD, FAPTA

4:10 pm – 4:55 pm *Grand Ballroom B/C*
PLENARY 8

The Orthodontic Therapy, Occlusion and
Temporomandibular Disorders: Is There a Relationship?
– Jeffery Oleson, DMD

4:55 pm – 5:10 pm *Grand Ballroom B/C*
Panel Discussion

5:10 pm – 5:55 pm *Grand Ballroom B/C*
AAOP General Membership Meeting

5:55 pm – 6:10 pm *Grand Ballroom B/C*
New Members and Fellow Orientation

6:10 pm – 9:00 pm *Bayview Lawn*
President's Reception

SATURDAY, MAY 4, 2019

7:00 am – 8:00 am

BREAKFAST SESSIONS: (Additional Registration Required)

BREAKFAST SESSION 3 *Nautilus 1-2 Room*
Opioids - How to Fight This War and Alternative Options
– Lori Reisner, PharmD

BREAKFAST SESSION 4 *Nautilus 3-4 Room*
Sleep Pain Interactions
– Davis Thomas, BDS, DDS, MSD, MScMed

7:30 am – 8:00 am *Grand Ballroom A*
Continental Breakfast with Exhibitors & Posters

8:00 am – 8:20 am *Grand Ballroom B/C*
Welcome Remarks and Awards

PLENARY SESSIONS:
8:20 am – 9:05 am *Grand Ballroom B/C*
PLENARY 9

Headache Attributed to TMD, Muscle Contraction and
Pain: A Critical Analysis – Paulo Conti, DDS, MS, PhD

9:05 am – 9:55 am *Grand Ballroom B/C*
PLENARY 10

Trigeminal Mediated Pain: Empirical Treatment Results
Based on Novel Pathophysiologic Concepts
– Wolfgang Liedtke, MD, PhD

9:50 am – 10:15 am *Grand Ballroom A*
Break with Exhibitors & Posters

10:15 am – 11:00 am *Grand Ballroom B/C*
PLENARY 11

Cervicogenic Headaches - Occipital Neuralgia,
Better Diagnosis – Richard Boortz-Marx, MD

11:00 am – 11:45 am *Grand Ballroom B/C*
PLENARY 12

The Role of Pain Modulation in Acute and Chronic
Orofacial Pain, Mechanisms and Clinical Relevance
– Eli Eliav, DMD, PhD

11:45 am – 12:00 pm *Grand Ballroom B/C*
Panel Discussion

12:00 pm – 1:15 pm

Lunch on Your Own

or

Lunch & Learns (Additional Registration Required)

LUNCH & LEARN 3 *Nautilus 1-2 Room*
Cervicogenic Headache Examination Hands On
– Richard Boortz-Marx, MD

LUNCH & LEARN 4 *Nautilus 3-4 Room*
Cannabinoids – Lori Reisner, PharmD

PLENARY SESSIONS:

1:15 pm – 2:00 pm *Grand Ballroom B/C*
PLENARY 13

Mechanisms of Exercise Induced Hypoalgesia
– Marie Hoeger Bement, PT, PhD

2:00 pm – 2:45 pm *Grand Ballroom B/C*
PLENARY 14

What is New in Sleep Medicine – Steven Bender, DDS

2:45 pm – 3:00 pm *Grand Ballroom A*
Break with Exhibitors & Posters

3:00 pm – 3:45 pm *Grand Ballroom B/C*
PLENARY 15

New Insights Into Sleep Apnea Pathogenesis
– Atul Malhotra, MD

3:45 pm – 4:30 pm *Grand Ballroom B/C*
PLENARY 16

TMJ Osteoarthritis Pathophysiology and Treatment - A
Cellular Perspective View – Ricardo Tesch, DDS, MS, PhD

4:30 pm – 4:45 pm *Grand Ballroom B/C*
Panel Discussion

SUNDAY, MAY 5, 2019

8:00 am – 8:30 am *Grand Ballroom Foyer*
Continental Breakfast

8:30 am – 9:00 am *Grand Ballroom B/C*

AAOP Sponsored Research

PRESENTER 1

TBD

PRESENTER 2

TBD

PLENARY SESSIONS:

9:00 am – 9:45 am *Grand Ballroom B/C*
PLENARY 17

Neuralgia or Neuropathy: Differences in Diagnosis
and Treatment – Hossein Ansari, MD

9:45 am – 10:30 am *Grand Ballroom B/C*
PLENARY 18

What We Know About Pain Following Root Canal
Treatment – Donald Nixdorf, DDS, MS

10:30 am – 11:15 am *Grand Ballroom B/C*
PLENARY 19

Understanding the New Specialty in Orofacial Pain:
Improving Access to Care for Patients with
Orofacial Disorders – James Fricton, DDS, MS

11:15 am – 12:00 pm *Grand Ballroom B/C*
PLENARY 20

Improving Access to Care with Success of Orofacial Pain
Practices – Joseph "Rich" Cohen, DDS

12:00 pm *Grand Ballroom B/C*
Closing Remarks and Preview of 2020 Program

FRIDAY, MAY 3, 2019 & SATURDAY, MAY 4, 2019

8:00 am – 5:00 pm
Nautilus 5 Room

Dental Assistant and Auxiliary Program
Catalina Morarasu, DDS, PhD, MS – Course Director

PRECONFERENCE WORKSHOPS

Preconference workshops I-IV will be held on Thursday, May 2, 2019 prior to the AAOP Core Scientific Meeting. These full day workshops require additional registration.

THURSDAY: MAY 2, 2019

Pre-Conference I: Sleep and Pain

Nautilus 1 Room

9:00 am – 4:00 pm

Program Fee: \$290.00

Presenters: Dennis Bailey, DDS, FAGD; Davis Thomas, BDS, DDS, MSD

SYNOPSIS:

- 9:00 am – 10:15 am Scientific Basis of Importance of Sleep
– Davis Thomas, BDS, DDS, MSD, MScMed
- 10:15 am – 10:30 am Break
- 10:30 am – 11:45 am Pediatric and Adolescent Sleep from Recognition to Management:
Uncovering the Epidemic – Dennis Bailey, DDS, FAGD
- 11:45 am – 12:00 pm Q&A
- 12:00 pm – 1:00 pm Lunch
- 1:00 pm – 2:15 pm Why So Many Co-Morbidities with OSA
– Davis Thomas, BDS, DDS, MSD, MScMed
- 2:15 pm – 2:30 pm Break
- 2:30 pm – 3:45 pm Sleep Medicine - Not Dental Sleep Medicine: An Update
– Dennis R. Bailey, DDS, FAGD
- 3:45 pm – 4:00 pm Q&A

Pre-Conference II: Assessment/Prediction/Management of The Patient with Head/Neck Disorders Post Whiplash

Nautilus 2 Room

9:00 am – 4:00 pm

Program Fee: \$290.00

Presenter: James Elliott, PT, PhD, FAPTA

SYNOPSIS: These innovative participatory lectures provides participants the opportunity to learn, apply, and interpret new research and clinical knowledge to optimize outcomes of traumatic and non-traumatic neck pain such as whiplash-associated disorder and idiopathic neck pain.

Learning Objectives: By the end of this lecture, course participants will be able to:

1. Describe and apply a new framework for pain assessment using a 'radar plot' as an approach to structure and interpret assessment findings
2. Critically discuss the value and caveats of diagnostic imaging for patients with traumatic neck pain.
3. Identify and describe risk factors for chronicity in patients with acute traumatic neck pain.

Pre-Conference III: Orofacial Pain Review

Nautilus 3 Room

9:00 am – 4:00 pm

Program Fee: \$290.00

Presenters: Gary Heir, DMD, Sowmya Ananthan, BDS, DMD, MSD, Davis Thomas, BDS, DDS, MSD, MScMed

SYNOPSIS: The American Academy of Orofacial Pain (AAOP) presents an Overview of Orofacial Pain as a pre-conference program prior to the AAOP Annual Session. This one-day course will discuss diagnosis and management of musculoskeletal, neuropathic and neurovascular pain, pharmacotherapy and sleep dentistry. It will include some clinical cases. This program highlights the salient points necessary for the clinician treating orofacial pain at a level beyond dental school training.

- 8:00 am – 8:30 am Opening remarks; Introduction to Orofacial Pain, Assessment and Differential Diagnosis – Gary Heir, DMD
- 8:30 am – 9:15 am Pain and Pain Physiology – Gary Heir, DMD
- 9:15 am – 10:00 am Myogenous TMD – Gary Heir, DMD
- 10:00 am – 10:15 am Break
- 10:15 am – 11:00 am The Cranial Nerve Exam and WHY – Sowmya Ananthan, BDS, DMD, MSD
- 11:00 am – 11:45 am Sleep and Pain – Davis Thomas, BDS, DDS, MSD, MScMed
- 11:45 am – 12:45 pm Lunch on Your Own
- 12:45 pm – 1:30 pm Neuropathic Pain – Sowmya Ananthan, BDS, DMD, MSD
- 1:30 pm – 2:15 pm Myogenous TMD – Gary Heir, DMD
- 2:15 pm – 3:30 pm Neurovascular Orofacial Pain – Gary Heir, DMD
- 3:30 pm – 4:15 pm Pharmacology of Orofacial Pain
– Davis Thomas, BDS, DDS, MSD, MScMed.

Pre-Conference IV: Head and Neck Dissection

Nautilus 4-5 Room

9:00 am – 4:00 pm

Program Fee: \$700.00

Presenters: Ronald Auvenshine, DDS, PhD; Henry Gremillion, DDS, MAGD; Terry Tanaka, DDS

SYNOPSIS: This program will provide the participant with the opportunity to complete a detailed dissection of the superficial structures of the face, the masticatory musculature, the TMJ, oral cavity, nasal passageways and all parts of the pharynx. Participants will work in two-member teams, each team dissecting 1/2 of a provided cadaver specimen.

BREAKFAST SESSIONS

These sessions include a breakfast buffet and CE lecture that requires additional registration of \$80.00 per session. On Friday and Saturday there are two breakfasts that run concurrently each day. Please select only one session for each day as you will only be able to attend one session each day. These sessions offer a smaller setting and therefore registration is limited. Each session offers 1 hour of CE.

FRIDAY, MAY 3, 2019

7:00 am – 8:00 am

BREAKFAST SESSION 1

Nautilus 1-2 Room

Ear-based Treatment of TMD - Introduction, Current Findings and Ongoing Studies – Alan Glaros, Ph.D.

Introduction:

- General description of an ear-based treatment device for TMD
- The ear as a treatment site for TMD
- How does ear-based treatment for TMD work?
 - Current findings
- Process flow from prescription to follow-up

Review of the present literature on effectiveness and safety to date:

- Summary of Tavera et al. (2012) study
- Summary of Birmingham Dental Hospital (UK) study
 - Protocol and outcome measures
 - Patient selection
 - 3-, 6- and 12-month results
- Summary of multi-site clinical trial data from the EU

Continuing to build the evidence:

- Additional clinical trials planned or underway involving an ear-based treatment device for TMD
 - Expected results, completion dates and distribution of findings

Learning objectives

1. Provide an accurate description of an ear-based treatment device for TMD
2. Describe the proposed mechanism of action of an ear-based treatment for TMD
3. Name the types of TMD for which ear-based treatment appears to show efficacy
4. Summarize the available data from clinical trials involving ear-based treatment for TMD

BREAKFAST SESSION 2

Nautilus 3-4 Room

Compound Medications - When, Where, and Why – Gary Heir, DMD

SATURDAY, MAY 4, 2018

7:00 am – 8:00 am

BREAKFAST SESSION 3

Nautilus 1-2 Room

Opioids - How to Fight This War and Alternative Options – Lori Reisner, PharmD

SYNOPSIS: Opioids have recently emerged as the leading cause of death for young-to-middle age adults in the United States, exceeding deaths from accidental injury, cancer and cardiovascular disease. Importantly, new studies also show that young adults and teens are increasingly developing opioid use disorders, many of these following surgery and other medical or dental interventions. It is estimated that as many as 30% of some populations are unable to discontinue taking opioids intended for short-term use following a procedure. To stem the tide of death and injury due to opioids, regulatory restrictions are either mandated or under consideration for prescribers. In addition, guidelines from the Center for Disease Control (CDC) and professional societies are encouraging the use of alternatives to opioids for acute pain, and limiting the duration of prescribing as well. For this reason, prescribers should be familiar with their alternative choices when confronted with an acute pain, as well as differences between opioids that may influence the ability to taper off of them. This session will review multimodal regimens for acute pain and discuss investigational new analgesics that may aid in the future management of pain.

BREAKFAST SESSION 4

Nautilus 3-4 Room

Sleep Pain Interactions

– Davis Thomas, BDS, DDS, MSD, MScMed

SYNOPSIS: Sleep and pain have been shown to have bidirectional relationships. what ever we do to affect pain (medications, change of diet, behavior modification etc) does affect pain and vice versa. While managing Orofacial Pain, we clinicians use a wide variety of modalities for pain relief. Do we really know what these modalities including medications are doing to the sleep pattern of these patients? How do pain medications affect sleep? We will discuss. Objectives: 1. To outline the various interactions of sleep and pain in a bidirectional manner.

PRECONFERENCE WORKSHOPS

LUNCH & LEARN SESSIONS

These sessions include a lunch buffet and CE lecture that requires additional registration of \$90.00 per session. On Friday and Saturday there are three Lunch Sessions that run concurrently each day. Please select only one session for each day as you will only be able to attend one session each day. These sessions offer a smaller setting and therefore registration is limited. Each session offers 1.5 hours of CE.

FRIDAY, MAY 3, 2019

12:15 pm – 1:30 pm

LUNCH & LEARN 1

Nautilus 1-2 Room

Update on Pathophysiology and Management of Sleep Bruxism

– Davis Thomas, BDS, DDS, MSD, MSc Med

SYNOPSIS: Sleep disordered bruxism has been classified as a “Sleep related movement disorder” by the AASM. We have enough evidence that this is not a “habit”. We will discuss the latest in literature in the enigma of bruxism. The current suggestions and management options with limitations will be discussed briefly.

Objectives:

1. To understand the basics of pathophysiology of sleep bruxism.
2. To discuss the various currently available modalities for management and their limitations

LUNCH & LEARN 2

Nautilus 3-4 Room

Myofunctional Therapy, Indicators and Relevance to Orofacial Pain

– Jennifer Hobson, PT, DPT, MTC, CFC, CMTPT

SYNOPSIS: The objectives of this presentation are to give the audience an awareness of what myofunctional therapy is and how to identify myofunctional disorders in your own orofacial pain patients. Most craniofacial pain patients are originally breathing disorder patients and once the breathing dysfunction is addressed, many of the orofacial pain, head and neck pain, and breathing symptoms will resolve. This talk will include clinical cases and will review assessment tools and treatment techniques to improve airway patency, head and neck posture, and breathing mechanics. Other topics that will be briefly mentioned are: recent supportive myofunctional therapy medical literature, ankyloglossia and the effects that oral tethered tissue have on head and neck breathing dysfunctions, the possible need for lingual and labial frenectomies, mouth breathing and sleep apnea, and the importance of a multidisciplinary team.

SATURDAY, MAY 4, 2019

12:15 pm – 1:30 pm

LUNCH & LEARN 3

Nautilus 1-2 Room

Cervicogenic Headache Examination Hands On

– Richard Boortz-Marx, MD

LUNCH & LEARN 4

Nautilus 3-4 Room

Cannabinoids – Lori Reisner, PharmD

SYNOPSIS: Across the United States and in other countries, cannabinoids have been approved or are under consideration for legalization. They have been promoted for a variety of conditions including chronic pain syndromes, multiple sclerosis, glaucoma, anxiety disorders, and other uses. Patient reports of their efficacy are variable and dependent on the choice of agent (e.g., cannabidiol versus tetrahydrocannabinol) as well as the delivery system. Such delivery systems include inhalation, topical application or oral ingestion. Unfortunately, comparative studies are sparse, and lack of regulatory oversight contributes to the non-standardization of products. This session will review the literature on commercial and non-commercial forms of medical cannabinoids, as well as those from various sources (hemp or marijuana). Examples of changes in regulations regarding cannabinoids and their impact on availability will also be discussed.

GENERAL INFORMATION

HOW TO REGISTER

You may register by completing and mailing or faxing the Conference Registration form to the AAOP office or register online through the AAOP website (www.aaop.org). **AAOP members should login to the website prior to attempting register for the meeting online in order to receive the member discount and be recognized as a member registrant.** Members should be sure to select the accurate member category when registering for the meeting.

The registration fee includes: admission to the May 3-5, 2019 plenary scientific sessions, daily continental breakfast, refreshment breaks, and the President's Reception on Friday evening. **Additional fees are required for May 2nd preconference workshops and the May 3rd & 4th breakfast sessions and lunch sessions.** Please forward any dietary restrictions to aaopexec@aaop.org.

EXHIBITS

Educational and informational displays of companies relevant to the treatment of orofacial pain and/or your practice will be available for viewing and interaction during the conference. The American Academy of Orofacial Pain gratefully acknowledges the support of the 2018 meetings and AAOP's objectives from the following Industry Partners:

AES	Nierman Practice Management
Association Gloves	Physical Therapy Board of CCTT
Bio Research	Promius Pharma
Dental Vibe	Prosomnus Sleep Technologies
Great Lakes Ortho	QuickSplint by Orofacial Therapeutics
Elsevier	Quintessence Publishing
LSU Health Continuing Dental Education	Somnosed
Myofunctional Research	TMJ Pharmaceuticals, LLC

PHYSICAL CHALLENGES

The American Academy of Orofacial Pain wishes to ensure that no individual with a disability or special need is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids or services. If you need any auxiliary aids or services identified in the American with Disabilities Act, please contact Kenneth Cleveland, AAOP Executive Director, at 609-504-1311, or write to him at AAOP Headquarters, 174 S. New York Road, POB 478, Oceanville, NJ 08231 or aaopexec@aaop.org

ATTIRE

Attire for the conference is business casual. Meeting room temperatures often vary during the course of the meeting, so please plan accordingly.

QUESTIONS

If you have any questions or need additional information, please contact the AAOP office at: 609-504-1311 or admin@aaop.org.

HOTEL INFORMATION

HOTEL INFORMATION

The AAOP 2019 Scientific Meeting will be held at the Sheraton San Diego Hotel and Marina in San Diego, CA. AAOP has secured a rate of \$229.00+/-/night single/double occupancy for this meeting. This room block is being held until March 29, 2019. After this date or when the block is full, reservations will be at the market rate and subject to availability, so make your reservations early by booking online via our custom meeting weblink:

<https://book.passkey.com/event/49744387/owner/563/home>
or the AAOP website at www.aaop.org and select the meetings tab/AAOP 2019 or call 1-877-734-2726.

The Sheraton Hotel and Marina address is:
1380 Harbor Island Drive, San Diego, CA 92101.

Situated right on the waterfront on Harbor Island, with stunning marina views, our hotel boasts 1,053 spacious rooms and suites, each with its own patio or balcony, spread over two unique tower experiences - Marina Tower and Bay Tower. The marina district is located a short drive from Downtown San Diego, our hotel offers award-winning service and an unbeatable setting. Savor modern American fare at Harbor's Edge, dine al fresco on Baja cuisine at Shoreline, or sample a craft beer at Quinn's Ale House. Enjoy our tennis courts, three swimming pools and luxury spa. Stay fit in our 24/7 Sheraton Fitness Center or jet ski on the San Diego waterfront. Explore nearby attractions, including the San Diego Zoo, Petco Park (home of the Padres), SeaWorld Gaslamp Quarter and Torrey Pines Golf Course; take our complimentary shuttle to San Diego Airport, located across from our hotel. Our hotel on Harbor Island welcomes you with simple sophistication and thoughtful amenities.

Our Facilities & Activities

On site facilities & Activities include the Island Breeze Spa, Fitness Center, three pools (Lagoon, Lanai, Bay Tower), Boating, Jet Ski Rental, Paddle Boats, Whale & Dolphin Watching Tours.

Dining at the Sheraton Hotel & Marina

Dining services include 24 hour room service and a daily breakfast buffet.

Harbor's Edge

Dine at Harbor's Edge, our signature restaurant and lounge and take in breathtaking views of the marina and harbor. Savor contemporary American cuisine in a casual atmosphere. We also feature a private dining room to meet your special event needs.

Quinn's Ale House

Enjoy locally crafted world-class beer from award-winning breweries at Quinn's Ale House in San Diego. Our philosophy is to serve well-crafted beers and spirits paired with an unmatched warming experience.

Harbor & Vine

Savor 90 point wines and artisanal signature flatbreads made fresh-to-order at Harbor & Vine, located within Sheraton San Diego Hotel & Marina.

Marina Market & Café

Experience a modern coffee house whether you stay and enjoy your snacks or grab your drinks to go. We proudly serve Starbucks® coffee, as well as a selection of wines and domestic or local beers.

Shoreline

Located next to the Marina Tower's Lagoon Pool and the Marina, this waterfront restaurant is open seasonally and features "South of the Border" Baja-influenced cuisine. Gather and enjoy refreshing cocktails, specialty tequila and draft beers.

Bay Tower Lounge

Fuel up with a light breakfast in the morning at Bay Tower Lounge. Stop in for comfort food and a specialty cocktail in the evening. Enjoy your drinks on our spacious patio as you watch the gorgeous sunset shimmer on the water at our San Diego Marina.

Link at Sheraton Café

Start your day with freshly baked goods, Starbucks® coffee and other grab-and-go items at our Link at Sheraton Café. Located in our Bay Tower, our restaurant offers a warm, inviting environment to relax, gather, check emails and print boarding passes.

The AAOP President's Reception will be held Friday night from 6:10-9:00 PM immediately after the AAOP Membership Meeting. There are no official AAOP events scheduled for Saturday evening. We encourage you to attend the AAOP President's Reception on Friday and utilize Saturday evening to experience all that San Diego has to offer.

DENTAL ASSISTANT AND AUXILIARY PROGRAM

Dental Assisting and Patient Management in the Orofacial Pain Practice

Nautilus 5 Room

Program Fee: \$300.00

Dates: May 3-4, 2019

Time: 8:00 am – 5:00 pm

The Academy of Orofacial Pain is proud to continue providing courses for the assistants and auxiliary of facial pain and TMD practices. The course will enhance the staff's ability to improve the office outcome and increase patient flow by decreasing the time TMD and facial pain practitioners spend with patients thereby increasing office productivity.

Course Director: *Catalina Morarasu, DDS, PhD, MS*

CALL FOR POSTER PRESENTATIONS

2019 Poster Committee Chair:

Mariona Mulet, DDS, MS Email: mulet001@umn.edu
St. Paul, MN Phone: 651-641-6249

General Information

The AAOP invites members and non-members to submit abstracts to be considered for poster presentation at the AAOP 2019 Annual Scientific Meeting at the Sheraton Hotel & Marina in San Diego, CA. The meeting dates are May 2-5, 2019. Poster display dates are May 3-4, 2019. Abstracts should report completed investigations that contribute to education, research, and/or clinical practice. The presenting author of an accepted abstract must register for the meeting and is required to be present at the requested time by the organizing scientific committee.

Submission Deadline:

All abstracts must be received by **February 15, 2019**. They should be submitted by email to AAOP central office; admin@aaop.org and to Mariona Mulet Pradera; mulet001@umn.edu. AAOP will confirm receipt of the abstract within a week. If you do not hear from AAOP, please send a follow up email.

Criteria for Selection

- Abstracts must be original scientific material that has not been previously published or presented at any other national or international meeting.
- The scientific committee will give high preference to original clinical or basic research abstracts of Randomized Controlled Trials and Observational Studies (Cohort study, Case control study).
- Case reports may be accepted only if the scientific committee determines that the material presented is of high interest and high quality information.

Formatting

- The body of the abstract must not exceed 250 words, including references, but excluding title and authors. If the abstract exceeds 250 words, it will be returned to the author to shorten it.
- The body of the abstract must contain the following eight sections IN THIS ORDER and labeled as noted:

Title: (Title text should be in bolded font. Capitalize the first word and all proper nouns contained in the title and sub-title. Do NOT use all capitals. Clearly indicate the nature of the study in the title (i.e.: case-control, randomized controlled trial, etc.)

Author(s): (Authors should be listed by last name, followed by first name initials, after the abstract title. The name of the presenting author should be underlined)

Affiliations: (Indicate any affiliations to a University/College or Private Practitioners and city)

Aim of Investigation: (aims/purpose, hypotheses, and goals of the investigation)

Methods: (brief description of experimental procedures including statistics, study design and analysis)

Results: (findings of statistical analysis)

Conclusions: (one or two major conclusions that are supported by results)

Acknowledgments and/or Funding Source: (include reference to grant support, including grant number, and disclosure of any financial relationship the author may have with the manufacturer/supplier of any commercial products or services)

Additional Formatting Requirements

- Abstracts must be written in English language.
- Font should be Times New Roman, font size should be 12, and font color should be black.
- No tables or illustrations may be included in abstracts.
- Only generic drug names should be used.
- Results and conclusions should be included at the time of submission. If these are missing, the abstract will be rejected.

All accepted submitters are required to register for the meeting.

All submissions will be reviewed by the AAOP Abstract Committee.

DEADLINE: February 15, 2019

(late submissions will not be considered)

NOTIFICATION SENT: February 28, 2019

MEMBERSHIP INFORMATION

AAOP Mission

The American Academy of Orofacial Pain, an organization of dentists and affiliated health care professionals, is dedicated to alleviating pain and suffering through the promotion of excellence in education, research and patient care in the field of orofacial pain and associated disorders.

AAOP Aims and Purposes

To establish acceptable criteria for the diagnosis and treatment of orofacial pain and temporomandibular disorders. To stress the significant incidence of orofacial pain problems for both medical and dental professions. To provide a base for annual meetings for the dissemination of research and treatment for orofacial pain and temporomandibular disorders. To support the Journal of Orofacial Pain stressing research and current studies on orofacial pain and temporomandibular disorders. To encourage and stress the study of orofacial pain and temporomandibular disorders at undergraduate and postgraduate levels of dental education. To provide a common meeting ground for world-wide authorities on orofacial pain and temporomandibular disorders. To encourage hospitals and dental schools to establish centers for treatment of orofacial pain and temporomandibular disorders. To encourage research and evaluation of equipment and procedures.

Benefits of AAOP Membership

- **Continuing Education.** AAOP's Annual Scientific--Meetings features cutting edge scientific knowledge with clinical take home value at a significant member discount. Members are also invited to attend member only symposia and workshops such as the Dental Sleep Medicine Symposium that was offered this past November. AAOP is working to develop mini-residencies, special interest groups and online continuing education. AAOP members are also invited to attend sister academy meetings around the world at the sister academy member rate. Members are encouraged to attain certification by the American Board of Orofacial Pain (ABOP) which is a requirement for elevation to Fellow of the Academy status. (ABOP is a separate organization who administers a board exam in orofacial pain)
- **Journal & Newsletter Subscription.** Subscription to the *Journal of Oral & Facial Pain and Headache*, Complimentary *Orofacial Pain Guidelines*, and the *AAOP Newsletter* including an online archive of past news. (Please note that student members do not receive the journal and/or guidelines)
- **The AAOP Website & Member Directory.** Inclusion in the AAOP Member Directory features a personalized profile page that can be linked with your professional website and all of your social media outlets. You control what information is presented to the public and to members.
- **Professional Networking & Development.** AAOP offers access to world renowned leaders in the fields of OFP, TMD, Headache, Sleep and other associated disorders. As a member you will have access to the Member Forum/List-serve, important professional development documents such as the OFP/ICD-10 Guide and information on the AAOP Member Directory that is not publicly available. Whether you have a technical question, billing issue or are looking to expand your practice, AAOP leaders are available to assist you and our archive of documents is at your fingertips.
- **Patient Referrals and Information.** Prospective patients are visiting the AAOP website and looking for you. In addition the AAOP office is contacted directly by 100-200 prospective patients each year and they are directed to the member(s) nearest them. Various Patient Education Brochures are available at a nominal cost to AAOP members. Additional patient information is posted online.
- **Leadership/Participation.** All AAOP members are eligible to vote for academy officers/directors and on all important policy decisions. AAOP encourages its members, with an interest, to get involved in one of our committees. Your knowledge and opinions matter to us and your level of involvement is up to you. AAOP offers an annual leadership development program at no cost to its members.
- **Research and Training.** AAOP actively and financially supports research via annual grants. These grants are open to all professionals but the results of this research reaches AAOP members first. AAOP is also active within the dental school community. AAOP maintains the position of leadership within CODA when reviewing Orofacial Pain Programs at dental schools across the United States. Orofacial pain program directors meet annually at the AAOP meeting to discuss the current trends in OFP education and training.
- **Camaraderie.** AAOP is first and foremost about people. Many lifelong friendships and professional relationships have been fostered via AAOP membership. For 40+ years professionals like you have been coming to AAOP for scientific knowledge, clinical insights and the support of fellow colleagues.

AAOP Membership Categories

- All members of the American Academy of Orofacial Pain {Academy}, including any and all categories of membership in the Academy, must agree to abide by the bylaws of the Academy.
- All members of the Academy, including any and all categories of membership in the Academy, must agree to abide by the Code of Conduct of the American Academy of Orofacial Pain and be willing to work within the Academy's Objectives to promote the best interest and ideals of the Academy throughout said membership.
- All Members of the Academy with the exception of the Retired, Life/Life Fellow & Honorary Membership categories must be a permanent resident of the United States of America, Canada, Mexico, Bermuda, the Bahamas or an independent Caribbean nation or
 - Be a member in good standing of one of the Sister Academies as per the current Sister Academy Agreement regarding membership, or
 - Have been a continuous member in good standing of AAOP and joined prior to 1987.

Active Members

Be a licensed dentist (DDS, DMD or equivalent degree) or be a licensed physician (MD, DO or equivalent degree) or be a non-dental or non-physician allied health care professional or researcher in good standing within the state or country within which they practice. Active Members shall possess the right to hold office, serve on the Academy Council or chair a committee. Active Members shall possess the right to vote in the election of officers, at the annual membership business meeting and for all items required to be presented to the membership of the academy for further action. Regular payment of dues is a requirement for maintenance of Active membership in the Academy.

Student/Initiatory Members

Shall be a current full-time dental or post-graduate dental student in good academic standing, and one of the following: (1) a licensed dentist (D.D.S., D.M.D. or equivalent degree) in good standing within the state or country within which they practice and a current participant of an Academy recognized post-doctoral full-time university residency program, or (2) a licensed dentist (D.D.S., D.M.D. or equivalent degree) in good standing within the state or country within which they practice and a graduate within the past 12 months of an Academy recognized post-doctoral full-time university residency program or (3) a full time, current dental student with interest in temporomandibular disorders and/or orofacial pain or (4) be a licensed dentist (D.D.S., D.M.D. or equivalent degree) in good standing within the state or country within which they practice and enrolled in, or successfully completed within the past 12 months, an orofacial pain post-graduate or residency program not

described above and approved by council for student/initiatory membership. A full-time orofacial pain post-graduate or residency program must be consistent with current CODA accreditation standards. Student/Initiatory Members may serve on or chair a committee. Student/Initiatory Members shall possess the right to vote in the election of officers, at the annual membership business meeting and for all items required to be presented to the membership of the academy for further action. Student/Initiatory Members shall have all the add'l benefits of membership except a subscription to the AAOP designated journal. Regular payment of dues is a requirement for maintenance of Student/Initiatory membership in the Academy. Student/Initiatory Memberships must be transitioned to active membership within (12) months of completing their program and/or within (4) four years from date of joining.

Additional Membership Categories

Fellow, Retired, Life and Honorary Membership are elevated categories of membership available to members upon completion of additional criteria as stated in the AAOP Bylaws.

Additional Membership Criteria

In addition to the stated criteria listed in Membership Categories, Members Shall:

- Agree to adhere to the Academy's Code of Conduct.
- Be willing to work within the Academy's Objectives to promote the best interest and ideals of the Academy.
- Be approved by Council upon recommendation of the Membership Committee.
- Upon approval by Council, the membership at-large will be notified by written or electronic means of the pending applications and barring any written objection they will be accepted as members. If any objections are received, the application will be returned to the Membership Committee for further consideration.
- Pay all annual dues as set by the Council on a yearly basis.

Please see the AAOP Bylaws on-line for additional Membership Information and also see the AAOP Statement of Aims and Purposes, Code of Conduct and Position Papers. Visit www.aaop.org.

Dues

The AAOP membership year is January 1st - December 31st. Members joining after September 1st of any year will receive the final few months of the current year at no additional cost.
